

Science in a Suitcase presents

Which Way is Up?

IS THAT WAY UP??

AMAZING. HE'S LOOKING UP.

'A FANTASTIC FAMILY FRIENDLY SHOW'
KENDALL MINTFEST STREET FESTIVAL

5,4,3,2,1
BLAST OFF!!

THIS IS ALL WE NEED TO GET INTO SPACE, RIGHT?

I'M SURE I WAS UP!

The last British Space Scientists from the 60's attempt to get to the moon one step at a time. Watch as they go through basic training and prepare for blast off... Relax, stare into space and ponder will they get their rocket off the ground?

'EINFACH WUNDERBAR!!!'
